ATTACHMENT A

The **Target Device** to be searched is a black Samsung Galaxy S7 cellular phone with Serial Number R28HC1RAH0K, presently securely stored in the Evidence Control Room, of the FBI Milwaukee Field Office, which is located at 3600 South Lake Drive, in St. Francis, Wisconsin.

ATTACHMENT B

All records relating to violations of 18 U.S.C. §1591(a), 18 U.S.C. 2421(a), and 18 U.S.C. 922(g) from June 2007 to the present, including:

1. Electronic communications of any kind, including text messages, instant messages, Facebook or Facebook messenger communications, audio messages, voicemails, and emails, between Freeman and known or prospective victims of the crimes under investigation, or concerning the crimes under investigation;
2. Photographs or video recordings of known or prospective victims of the crimes under investigation, or concerning the crimes under investigation;
3. All call logs;
4. Records of or information about Internet Protocol (IP) addresses used by the **Target Device**;
5. Records of any GPS or other location information generated by or stored on the **Target Device**;
6. Evidence of user attribution, showing who used, owned, possessed, or controlled the phone at the time the things described in this warrant were created, edited, or deleted, such as logs, configuration files, saved usernames and passwords, notes, documents, Internet browsing history, user profiles, messaging logs, photographs, and correspondence;
7. Evidence of software that would allow others to control the phone, such as viruses, and other forms of malicious software;
8. Evidence indicating how and when the phone was accessed or used to determine the chronological context of access, use, and events relating to the crime under investigation and the user;
9. Records of or information about the computer's internet activity, such as firewall logs, caches, browser history and cookies, "bookmarked" or "favorite" web pages, search terms that the user entered into any Internet search engine, and records of user-typed web addresses; and
10. Contextual information necessary to understand the evidence described in this attachment, such as contact lists, address books, and notes.

As used above, the terms "records" and "information" include all of the foregoing items of evidence in whatever form and by whatever means they may have been created or stored, including any form of computer or electronic storage (such as flash memory or other media that can store data) and any photographic form.
